The Forbidden Woman (Proverbs 5)

Air date: February 3, 2017

Ron: Pay attention. Beware of the forbidden woman.

Announcer: For FamilyLife Blended™, here's Ron Deal.

Ron: You've heard of the forbidden fruit, right? Well, in the Bible Proverbs 5 warns men to avoid the forbidden woman. The woman who entices a man away from his marriage. In the end, it warns she is as bitter as poison.

In today's world, there is another forbidden woman who enters our house through the internet. Pornography is now so easily accessible in our world that the average age of first exposure for kids is four-years-old. Be vigilant to protect your home from her influence. For as Proverbs says she cares nothing about the path to life. For FamilyLife Blended I'm Ron Deal.
