Stepparenting: Earn Their Trust

Air date: February 6, 2017

Ron: Stepparents, don't just aim for love, earn their trust.

Announcer: For FamilyLife Blended, here's Ron Deal.

Ron: You know, to have a healthy relationship with someone it really takes love and trust. One without the other doesn't make for a solid relationship. Now, especially for adopted children, foster children, and stepchildren trust opens the door to love. So build trust by being emotionally and physically safe to be around; by showing them that you are committed and you'll never leave them; and by loving them on their worst day.

Oh, yes, and be trustworthy. Your "yes" should live out to be a "yes," and your "no" no. Be a person they can trust and you'll be a person they can love. For FamilyLife Blended I'm Ron Deal.
