No Pain, No Gain

Air Date: September 12, 2017

Ron: Sorry, Ron, this might hurt.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: So I'm lying in the dental chair getting my teeth cleaned—which is uncomfortable to begin with—and the hygienist says, "Sorry I'm having to be assertive." I mumble back, "It's okay; I'm not feeling any pain." To which she says, "Then I'm not doing my job."

Wait, what? You mean there's supposed to be pain? Yes, in many areas of life, pain means growth. No pain, no gain. When was the last time you read God's word and let it step on your toes? Or made yourself attend a parenting or marriage or relationship conference? Or walked into a church without knowing anyone? No pain, no gain. For FamilyLife Blended, I'm Ron Deal.
