Battling Over Blame

Air Date: April 10, 2018

Ron: One of the ways pride affects your marriage—it blinds you to you.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Couples often battle over who's to blame for the tension in their marriage. Ironically, both he and she are trying to close the gap in their relationship but pride is so insidious that it drives thirsty people to relish the moment—however brief it may be—when they conquer their spouse and blame it all on them. At least it's not my fault we brag to ourselves.

But as is the case with all sin, the satisfaction of that moment is fleeting. The next moment brings the realization that you're all alone and the victory was self-defeating. Set aside your pride and deal with the person in the mirror. For FamilyLife Blended, I'm Ron Deal.
