When Daddy's Get Along

Air Date: October 22, 2018

Ron: When daddy's get along, things go better for kids.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: So get this. Chris took his tween son on a retreat to talk about healthy sexual identity, romance, girls—you get the picture. And Chris took his former wife's current husband—and his son. You see, Chris gets along with his former wife and his son's stepdad. A little unusual, maybe. But impressive.

The opening page of my book *The Smart Stepdad* states that children who have a good relationship with both their stepfather and their biological father have better life outcomes than children who have good relationships with just their father. Nice job, guys. Nice job. For FamilyLife Blended I'm Ron Deal.
