## Celebrate Veterans Day

Air Date: November 9, 2018

---

**Ron:** Courage means a strong desire to live taking the form of readiness to die.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** G.K. Chesterton made that statement in reference to November 11<sup>th</sup>, Veterans Day. Throughout history men and women of great courage have adopted the readiness to die in order that others might live.

In a battle of a different kind I see people displaying the readiness to die to self in order that others might live. I'm thinking about men and women who sacrifice their personal desires on a daily basis in order to serve one another. I'm thinking about parents and stepparents who fight for the well being of their children. This Veterans Day let's celebrate both the courage of those who have fought for our country and those who fight for our homes. For FamilyLife Blended I'm Ron Deal.
