In Tune With Your Kids

Air Date: January 7, 2019

Ron: We parents are not as in tune as we think.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: If there's one thing I've learned in over 30 years of family ministry and being a parent myself since 1994, it's that parents aren't as in tune with their kids as they think. I've learned things about my kids that I had no idea was going on inside them for years. I've known parents who thought their kids were fine until it was obvious they were being bullied or had a hidden addiction or had been devastated by family problems.

No, we can't know everything. But we shouldn't assume we do either. Talk with your kids. Listen with fresh ears to what's beneath their words. They need you close to their heart and tuned in. For FamilyLife Blended I'm Ron Deal.
