Telling a Truth About God

Air Date: February 25, 2019

Ron: Family, tells a truth about God.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: God is relational. He exists and functions in relationship as the Trinity. You might call them, the first family. So, making us in his image; we, too, have a family that helps us know and love him—and one another. Think of family life, then, as an act of discipleship. It tells the truths about God like what love is and forgiveness, humility, mercy, and grace. Experiencing these truths in our family helps them grow deep inside us making us more like Christ.

Here's the good news, all families, single parent, stepfamily, first-family—regardless of their structure—can teach these vital truths about God. For FamilyLife Blended I'm Ron Deal.
