Going the Extra Mile

Air Date: March 19, 2019

Ron: Her only complaint? That they didn't come into her life earlier.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: We were talking on live radio when Nikki called in to brag on her stepgrandparents; she was so grateful for them. She only wished that they had come into her life sooner. I asked, "So, what did they do right?" Well, they didn't treat Nikki and her brother any differently than their biological grandchildren. And she said in the beginning they went the extra mile to welcome them and to communicate interest in them, and to care for them. And, they let all the other grandkids know that everyone was a part of this family.

You know, 40 percent of families have a stepgrandparent. We could all use a lot more of the "extra mile" kind. For FamilyLife Blended I'm Ron Deal.
