Redeeming the Next Generation 2: A Message to the Church

Air Date: April 11, 2019

Ron: What do you do with good news? Share it!

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Well, I've already shared with you that a strong, healthy stepfamily lowers the divorce rate in this generation and the next. It breaks the cycle of divorce. If you live in a stepfamily or know someone who does, you should share this good news. There may be days of discouragement ahead, but trusting in the rewards for those who faithfully stay the course and walk with God through the wilderness, brings hope to the journey.

And if you're a ministry leader or know someone who is, ask what your church can do to minister to stepfamilies before and during their journey. The redemptive factor in breaking the generational cycle of divorce is a healthy stepfamily. Be part of the solution and share the good news. For FamilyLife Blended, I'm Ron Deal.
