## Going Deep

Air Date: April 30, 2019

---

**Ron:** Shallow is fun, but you can't stay there forever.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** There's a temptation in dating to keep things on the surface. If you get too deep into things you might lose the relationship. Monica is a single parent dating a single dad, Justin. They're having lots of fun and the kids get along great but his former wife calls the shots when it comes to his kids. Monica is concerned and she should be, but she's afraid to bring it up.

Okay, yes, staying shallow might keep things going artificially. And, yes, going deep might burst her fantasy. All I know is, there's no future in shallow. Find your courage and go deep. For FamilyLife Blended I'm Ron Deal.
