Good News About Your Marriage

Air Date: July 5, 2019

Ron: Being optimistic about the future of your marriage, improves your marriage.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: You've heard me talk before about how the belief that half of all marriages end in divorce has made people frightened of marriage. Well, the actual divorce rate is much lower for first and blended family marriages than most people believe so their fear is based on a myth. Turn down your intimidation and worry. Living in fear of being a statistic leads couples to do things that make their marriages more vulnerable.

My suggestion, be optimistic about your marital future. It frees you to laugh and love in ways that improve your relationship. Don't buy the lie. Live with confidence and trust God to teach you along the way. For FamilyLife Blended I'm Ron Deal.
