What's Your Bias?

Air Date: July 22, 2019

Ron: So, what's your bias?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Social conversations about race and bias are much needed in our world. I keep recognizing my bias and I'm trying to manage it. But, bias comes in many forms—and even toward people we love. One guy, who feared before his marriage that his wife would never be really committed to him, later said, “My wife sure reads her favorite books on marriage and family but she won't read mine. Is this her putting her kids before me?”

Hey buddy, I think your confirmation bias won't let you see what she is doing on behalf of your marriage and family. Doubt is blinding you. What about you? Can you see your bias? For FamilyLife Blended I'm Ron Deal.
