## A Trust Without Trust

Air Date: August 19, 2019

---

**Ron:** What good is a trust without trust?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** The problem mom initially brought up had to do with whether the stepdad would help to pay for college for her daughter. Mom thought he should; he thought the daughter's education trust should be enough. When I dug a little deeper, I learned there were some trust issues in the marriage. She had threatened divorce before, so he took some money out of their accounts to protect himself. Ironically, they had a trust for their child, but they didn't trust each other.

Blended family finances are tricky. You'll never get good above-the-surface financial solutions if there are unresolved below-the-surface trust issues. We can help with both. For FamilyLife Blended I'm Ron Deal.
