New Marriage, New Forgiveness

Air Date: August 21, 2019

Ron: Sometimes announcing an engagement is an opportunity to find forgiveness.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Transitions in life naturally create opportunities for healing. Becoming a parent helps you forgive your parents because now you understand how hard parenting is. Likewise divorced parents may not fully understand how hurt their children were by the divorce until they announce a new marriage.

You see, for kids, a parent's engagement awakens old wounds and squashes their hope that their parents can reconcile. Okay parents, instead of getting defensive about the past, recognize that this transition has created an opportunity to listen to your kids' hurt, ask for forgiveness, and heal your relationship. For FamilyLife Blended I'm Ron Deal.
