Trying to Be Supportive

Air Date: November 5, 2019

Ron: Ron, I'm an adult and my mom is dating a guy and I'm having a rough time with it.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: I recently heard from a listener who was struggling with her mom's serious relationship. "My dad died five years ago," she said. "And even though I'm happy for my mom, I'm not comfortable with her new relationship, but I'm trying to be supportive."

You know, I don't care how old you are, when a parent dates or marries, it dramatically changes your life in many unwanted ways. But I appreciate her attitude. She's trying to be supportive. Trying to be welcoming. Trying to be understanding. Trying to be selfless. Now this doesn't necessarily make the adjustments easy. But it does bring a grace to the equation and that always helps. For FamilyLife Blended, I'm Ron Deal.
