## Loyalty Tug-of-War

Air Date: January 17, 2020

---

**Ron:** Have you ever been caught in a loyalty tug-of-war?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Well, the odds are your kids have. For young and adult children feeling stuck between your parents or between your mom and your stepmom is a pretty common experience. When family members pressure kids to spend more time at one house than the other or they lay guilt trips on them for loving people in the other home loyalties get divided and kids lose.

What they really need is permission, your permission, to like, love, and value everyone in their life. So instead of a selfish tug-of-war aimed at taking care of your needs drop the rope. Love them and let them love. For FamilyLife Blended I'm Ron Deal.
