Be a Blessing

Air Date: February 11, 2020

Ron: When others cut down, you lift up.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: 1 Peter 3:9 tells us not to retaliate or have a sharp tongue, but to "bless others." In our call out culture today people seem to think that their highest calling is to stand against someone publically, to call them out, and make them look bad. But how does criticism and judgment influence someone's heart?

Instead, move toward people in understanding and compassion; that adds life to them. This applies everywhere: the public square, the private bedroom, or the family living room, we are called first to bless. Only then is there room for correction or instruction, and not until. First, be a blessing. For FamilyLife Blended I'm Ron Deal.
