Deployment

Air Date: February 12, 2020

Ron: Just imagine...being away from your children for 6 months?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Your daughter's recital is coming up; your son is getting braces and he's anxious about it; and there's conflict going on in your home...and then you get the news. Your job is sending you out of town for six months and no one can come with you. That's just the kind of stress military personnel face all the time. And the stress is compounded in military stepfamilies when the biological parent is the one deployed.

The Military Ready Stepfamily is a program that comes alongside families and helps them prepare. If you know a military stepfamily, tell them about it. Let's protect those who are protecting us. For FamilyLife Blended I'm Ron Deal.
