## Deployment & Custody

Air Date: February 25, 2020

---

**Ron:** Can you imagine—being deployed in a foreign country and losing your children back home?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Unfortunately, that has happened to our military personnel; custody changes have occurred behind a parent's back. But it shouldn't happen anymore. There is now a law that prevents custody changes from occurring during deployment. But there are still other things biological parents should think through: Registering your custody agreement in your current state and deciding how the stepparent should coordinate day-to-day schedules with the other household while you're deployed.

FamilyLife Blended, together with The Military Ready Stepfamily, offers support to military families. Bottom line: we want to help defend your family, while you're defending ours. For FamilyLife Blended I'm Ron Deal.
