Remarriage Late in Life

Air Date: May 1, 2020

Ron: She was happily married for 25 years. Then widowed. Then remarried...at age 83!!??

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Yes, that's right. And her husband was 87! Well, love may come to life at any age, but that doesn't mean that it's easy. She was asking for help. Getting married had been an adjustment for everybody. We love helping people like this. Old and young.

You see, we know that a successful 25 year first marriage doesn't necessarily prepare you –or your children—for new love. Each marriage, each family, must stand on its own. It's okay. We've got'cha. For FamilyLife Blended, I'm Ron Deal.
