Ron: Have you ever taken a road trip with friends? Now, that's good times.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: In a similar way, sharing the road of life with friends definitely adds to the trip. That's one function of the church to give us friends and family to share life with. Now in any church family we tend to gravitate to those most like us. Our experience tells us that couples in blended families really benefit from sharing the road of life with other stepcouples. They get your stories and understand your frustrations. And praying and studying the Scriptures together really helps.

FamilyLife Blended wants to help you start or find a group. Our free searchable map will make it easy. Traveling with friends now that's good for the soul. For FamilyLife Blended, I'm Ron Deal.
