Start a Small Group 2

Air Date: May 20, 2020

Ron: Ron, we can't start a stepfamily Bible class or small group—we don't have all the answers.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Boy, have I got good news for you. You don't need all the answers. You've heard me talk about how important stepfamily educational groups are. And you've searched our free online ministry map, but you couldn't find a group near you. So, what do you do now?

Start your own group. It might be a few couples who meet in your living room or a Sunday School class at church—just get started. You're halfway there just getting people together. Talk to your pastor. Use a resource that will teach the lesson for you and facilitate the conversation. Then list your group on our searchable map and watch the ministry come alive. For FamilyLife Blended, I'm Ron Deal.

Announcer: Explore our ministry map at familylifeblended.com.
