A Stepparent's Shame

Air date: June 4, 2020

Ron: There's a shame virus infecting parents and it's time we address it.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Parents love their kids. But they don't always have the same affection or delight for each child. Shamefully, parents whisper these words to me thinking they are all alone, but I hear it regularly. From biological parents who don't relate well to one of their children or don't like who their adult child is becoming. And from adoptive and stepparents who are still bonding with a child, and working out their relationship.

Hey, feeling differently about kids is normal. It's okay. Treat them fairly, with kindness, and work at being empathetic. Ask God to grow your love over time. You may not feel about them today as you'd like, but tomorrow is a new day. For FamilyLife Blended, I'm Ron Deal.
