Dating: Best Practices 1

Air date: June 23, 2020

Ron: Dating for two is difficult. Dating in a crowd is downright complicated.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Lots of singles today find themselves dating and kids are involved. Either they or the person they're dating have a child. Now here's the deal. Kids have strong emotions and opinions about what's happening. In other words, the whole family is dating. Table for 20!

So, you better be proactive and have a plan for how you are going to include them in a constructive way. Now, how you do this is going to depend on a number of factors but first you have to recognize that in fact you're dating in a crowd. You can't compartmentalize your life and fall in love as if it won't impact your kids. It will. So, make a plan. For FamilyLife Blended I'm Ron Deal.
