## Dating: Best Practices 4—Lukewarm Kids

Air date: June 26, 2020

---

**Ron:** You know lukewarm doesn't taste so good.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** When you're dating making sense of the warm-up and cool-down behavior of kids can be confusing sometimes. But think of it from their point of view. They came first. So, they may really like the person you're dating, but, in a way they are competing with them for you.

You see, liking a parent's dating partner sometimes creates a loyalty problem for kids. They warm up nicely but then turn cold and vacillate back and forth. Yeah, it's confusing. You get hopeful about the future and then... Okay, don't panic. They're just trying to figure this thing out. Relax and go slow. That helps everybody. For FamilyLife Blended I'm Ron Deal.
