Experiencing Love, Extending Grace

Air date: July 13, 2020

Ron: Experiencing the love of Christ changes us.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Now, what's also cool is watching people experience His love and grace and then extend it to others and it changes them. I've seen that played out in blended families over and over: A child abandoned by their parent begins to bloom under the loving care of a stepparent. A mother speaks well of her children's stepmother and insists they respect her.

You see, what is happening is gratitude to God for His hand of mercy is pouring itself out in the form of love and grace toward others. Hey, listen; this is how we change the world. Experiencing love and extending grace. For FamilyLife Blended I'm Ron Deal.
