Value Your Mate (Proverbs 19)

Air date: September 30, 2020

Ron: I'm wondering...how much is your mate worth to you?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: According to Proverbs 19:14, we might inherit a house and wealth from our ancestors, but "a prudent wife" it says, is from the Lord. You know, sometimes it's easy to get caught up in the riches of life, our stuff, and what it's worth. But when that comes at the expense of valuing our mate, we are losing sight of what matters. A wise and loving mate is to be valued, honored, and appreciated. She needs to know that you value her and God desires to hear your gratitude for His provision.

Keep an eternal view on what you have. Your stuff will be passed to the next generation, but love will be carried into eternity. For FamilyLife Blended I'm Ron Deal.
