**Ron:** When I say the word parent, what comes to mind?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** The church is a bridge between God's truth and a fallen world; it brings a relevant grace to the realities of our day. A new U.S. report reveals that one parent in nearly 20% of married couples has had a child with at least two partners. This creates a variety of complex marriage and parenting situations with half and stepsiblings that is rarely addressed by the church.

Let me challenge you. Those of you in ministry, make sure your family training addresses complex families, and you non-traditional parents, ask your church to provide relevant teaching. Together, we can raise up stronger families for the glory of God. For FamilyLife Blended, I'm Ron Deal.
