## Veteran's Day

Air date: November 11, 2020

---

**Ron:** For military stepfamilies combat is not the only battle they face.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Not all blended families face the same challenges. Stepfamilies in the military face life in 3D: Frequent moves create distance between children and their parent; deployments may force stepparents to take on a full-time parenting role before they're ready; and the demands of military life create stress in the home.

That's why FamilyLife Blended is pleased to work with the Military Ready Stepfamily, a training program for military stepfamilies that offers information and support, seminars, and training for chaplains. On this Veteran's Day we want you to know: we thank you for fighting for us, and we're fighting for you. For FamilyLife Blended I'm Ron Deal.
