## The Ties That Bind

Air date: November 16, 2020

---

**Ron:** A French poet once said, “A brother is a friend given by nature.” Well, what if the brother was given by marriage?

**Announcer:** For FamilyLife Blended, here’s Ron Deal.

**Ron:** Millions of Americans have a half-sibling or stepsibling. And like full-siblings, the ties that bind vary from close to distant. But there are some things parents and stepparents can do to foster stronger bonds between half and stepsiblings.

Initially, help kids come together around common interests. Time spent playing a game, having a conversation, or attending and cheering for one another’s extracurricular activities all make for a good start. But eventually, they’ll have to figure their relationship out and take it from there. In the meantime, you can encourage them to love each other, by loving all of them. For FamilyLife Blended I’m Ron Deal.
