What Did You Underestimate?

Air Date: December 23, 2020

Ron: One voice worth listening to is the voice of experience.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Recently we asked our social media readers in what way they underestimated how living in a stepfamily would be hard on their marriage. Here's their collective voice of experience. Nicole said, "I didn't know how hard it would be to deal with another household." Jess didn't realize how much parenting in the other home would impact theirs. Stepmom Brittany and her husband have struggled to unite their parenting styles. Dana is overwhelmed by conflict. And the eight kids in Kari's home are all grieving a deceased parent.

What's the point? Well as Christina said, "Rely on Jesus to sustain you." And, then she thanked us for helping her anticipate the challenges. For FamilyLife Blended, I'm Ron Deal.
