Loved By God, Loving Others

Air date: February 8, 2021

Ron: How does being loved by God help you to love others?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Have you noticed that loving God and being loved by God helps us to love others and vice versa. So, when I rest in my love relationship with God, I won't idolize someone else's love for me because I'm already loved. Conflict stings a little less. Apologies come more quickly. Forgiveness is easier to grant. And self-respect shows itself in both sacrifice and sometimes saying, "No."

In stepfamilies, resting in God's love provides stability even when there's a lot of confusion and gives you a sense of worth even when rejected. Let your love for others flow out of God's love for you. For FamilyLife Blended I'm Ron Deal.
