Holding All the Cards

Air Date: February 24, 2021

Ron: When one partner holds all the wild cards, the other partner just folds.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Mark was holding all the cards and still he believed his second wife should trust him. He made her sign a prenuptial agreement and then he managed their finances and determined her monthly allowance. Then seven years into their marriage, he set up a trust to provide for his kids but forced her to sign it without letting her speak into the details or even read it. Folks, this is not how you foster trust in a relationship.

Give mutual consideration to one another. Treat each other like equal partners, shower one another with kindness, and sacrifice, and trustworthiness, and sacrifice, and did I say sacrifice? That is how you do it. For FamilyLife Blended, I'm Ron Deal.
