## Are the Kids Part of a Blended Family?

Air date: May 3, 2021

---

**Ron:** Did we just make our kids part of a blended family?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Widowed after 40 years of marriage, Jerry married a woman who had been widowed after 20 and it dawned on him. "Did we just make our adult children part of a blended family?" Yep, you did. And their spouses and the grandkids.

Now here's the funny thing, Jerry. Your adult children may not consider themselves part of a stepfamily. That's common among adults whose parent married later in life. But whether they define it that way or not, you are a generational blended family. Don't fight over this; just know that it touches every relationship. The more you know about healthy stepfamily living, the stronger you become. For FamilyLife Blended I'm Ron Deal.
