## Living Proof

Air Date: June 17, 2021

---

**Ron:** Ron, my family is living proof that dysfunction breeds dysfunction.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Family difficulty does tend to flow through the generations. Julie could see it in her family. She was the youngest of 10 children in a blended family. Nine of the 10 kids had been divorced and remarried, some more than once. Over the years, her family experienced hurt feelings, abuse, kids getting kicked out of the home—all while she felt powerless to change it.

But Julie found the Lord and a church home, and through our ministry discovered how her stepfamily can break the generational pattern of divorce. What she learned is that hurting families “really is an epidemic,” but your family can break the cycle. And I agree. For FamilyLife Blended, I'm Ron Deal.
