## Alienation Is Wrong

Air date: July 16, 2021

---

**Ron:** There are parents who are manipulating their children for their own gain and it's wrong.

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** You know one of the things God hates is when someone causes division between brothers. Fracturing relationships of any kind through manipulation is a serious offense to God. There are an increasing number of divorced parents, many who claim to be Christians, who are systematically alienating their children from the other parent. They lie and manipulate the children to control them and keep them close.

Listen. This is wrong and it's time we speak up and speak out. And if you're a child who hasn't seen your other parent in a long time and all you have is one side of the story, you might start asking some new questions. For FamilyLife Blended I'm Ron Deal.
