Ron: What would you say to a parent who is actively teaching their child to steal?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Well, you might tell that parent that they are teaching their child selfishness, personal convenience over the benefit of others, and trusting in themselves rather than trusting in God. All of that seems pretty straight forward I think.

So let me ask you this question. What are you teaching a child when you move in together before marriage? Well, to think of themselves instead of others. That personal convenience outweighs moral conviction. And that trusting in yourself rather than God is the better option. You know, one day they are going to face their own decisions about stealing, selfishness, and sex before marriage. Do you want them following in your footsteps? For FamilyLife Blended I'm Ron Deal.
