Celebrating Stepparents

Air date: January 12, 2022

Ron: Here's one you haven't heard in the media lately. Good news about stepparents.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: If you're like me you probably have a few Google alerts set up so you can stay in touch with subjects that you really care about. I have some alerts set up for the key word stepmom and stepdad. And I have to tell you, rarely if ever is there a story about either that is positive or encouraging. Come on, really? Not only is that not accurate it supports the myth that stepparents are evil and to be feared.

All over the world there are stepparents who day in and day out are giving, nurturing, teaching, and loving and if you ask me worthy of an award. Tweet that, would you? We need to set the record straight. For FamilyLife Blended I'm Ron Deal.
