Middle-man

Air Date: December 21, 2021

Ron: Have you ever been caught between two people you love?

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: You know, whether you're divorced or not, I think all parents can learn something from Sophia. "There's no doubt," she said, "my brother and I were the middle-men in my parent's communication. They'd communicate through us back and forth, and I'd have to filter the message to keep somebody from getting mad."

Okay, I want to be fair. These parents probably thought that by communicating through their child they were keeping their tension at a minimum. But all they did was transfer their tension to their child. Look, keep your problems, your problems. Share love, not tension. For FamilyLife Blended I'm Ron Deal.
