Two-Step Your Marriage

Air date: March 20, 2023

Ron: The two-step is not just a dance in Texas.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: You know, in any home the marriage relationship is by far the most important earthly relationship. Yet, in blended families, it's often the most vulnerable. So, one key step for stepfamilies is to two-step, your marriage, that is. After all single parents and their kids have been through making the new marriage a relational priority can be tough. But it's critical to family success. It's got to become the new backbone for the family.

So, the marital two-step is about building strength and harmony and letting everyone know that the marriage is unbreakable and that the couple is going to lead this home together. For FamilyLife Blended I'm Ron Deal.
