67 Varieties

Air date: March 27, 2023

Ron: You've heard of Heinz® "57 Varieties", right? Well, when it comes to blended families, there are 67 varieties.

Announcer: For FamilyLife Blended®, here's Ron Deal.

Ron: Think about it. There are various factors: a stepfamily that follows the death of a parent, or a divorce, or a non-marital birth. One adult has children—or they both do—or they've had one together. When you throw all the possible scenarios into the computer, there are 67 possible stepfamily combinations.

But, despite all the varieties there are some core needs that are common to all stepfamilies. And while there didn't used to be now there are resources that teach about those core needs. FamilyLife Blended is helping churches all around the country bring these educational resources to communities like yours. The result: you get answers for your family variety. For FamilyLife Blended I'm Ron Deal.
