## Becoming the Spouse You Need to Be

Air date: April 20, 2023

---

**Ron:** Are you becoming the spouse you need to be?

**Announcer:** For FamilyLife Blended®, here's Ron Deal.

**Ron:** Gail wrote to our ministry expressing appreciation for our training. And then she said something that caught my attention. "Clearly," she said, "Divorce is not part of God's design for marriage, but when you have divorced and are remarried, that's all the more reason to make sure you now become the spouse you need to be."

You see, Gail doesn't want to repeat the past. And so, what she is doing is moving herself towards being the spouse she needs to be. Not what others are called to be, but specifically *who* and *what* she needs to be in *her* marriage, for her husband, in *this* blended family. Blooming where we're planted. I think Gail is onto something. For FamilyLife Blended I'm Ron Deal.
